Tanzania's oldest and most popular national park, also a world heritage site and recently proclaimed a 7th world wide wonder, the Serengeti is famed for its annual migration, when some six million hooves pound the open plains, as more than 200,000 zebra and 300,000 Thomson's gazelle join the wildebeest's trek for fresh grazing. The original and the best, 'Safari Blue' is a full-day excursion using locally made traditional sailing dhows of between 8 to 10 metres in length, carrying up to 22 passengers plus crew. These passenger-carrying dhows are fitted with outboard engines, marine VHF radios, gas inflatable life jackets, sunshade, boarding ladder, waterproof bags and first aid kit with DAN oxygen unit.

The excursion starts at the fishing village of Fumba, 30 minutes drive from Stone Town. Fumba is situated in the southwest corner of the island and is an ideal starting point to explore Menai Bay, designated a Conservation Area. The bay has a number of beautiful, uninhabited islands and sandbanks and is often frequented by humpback and bottlenose dolphins.

On arrival at Fumba you are given a briefing and a life jacket demo. You then board the dhows and set off to explore the bay and search for the dolphins. Dolphins have been spotted on at least 85% of these trips.

Later in the morning stop on a sandbank. Guides, who can safely lead the snorkelling session and show points of interest, accompany you. For beginners or those who are not confident swimmers, there are inflatable snorkelling vests and the guides can give tuition.

After snorkelling sample a fresh green coconut before sailing to another sandbank for lunch. During the morning a catering boat has gone on ahead to prepare lunch which is served on teak picnic

tables set up beneath smart canvas sunshades. Lunch is a traditional Zanzibari meal followed by fruit tasting, with a selection of different tropical fruit. Coffee and Amarula liqueur are served after lunch. Cold drinks are available throughout the day.

When the tide allows, visit a beautiful mangrove lagoon where it is possible to swim through the mangrove forest. Return to

Fumba by sail boat and arrive back at 6 pm, in time to see the colourful African sunset.

There are no formal changing facilities at Fumba so please wear your swimming things under your clothes. Bring waterproof shoes for boarding the dhows and bring towels, sunscreen and a spare T-shirt for snorkelling. Transfer back to Stone town.

From here visit the residence of the late Sultan of Zanzibar, 'Tip Tip House', the Old Fort, 'Peoples Palace' and the House of Wonders', full of intrigue from days of long ago.
